UPDATES & REMINDERS

-Welcome, Debbie Hoit!

We're excited to welcome Debbie Hoit as the 5th member of the Board

-Memorial Bench – Volunteers Needed

The bench at the front of the neighborhood needs some care. If you'd like to help stain it or refresh the surrounding greenery, we'd love your help! Let a Board member know if you're interested.

-Please Slow Down

With summer almost here, kids are out playing more often. We've noticed some speeding—please help keep our streets safe by driving slowly and cautiously.

Thanks for helping make our neighborhood a great place to live!

HOME IMPROVEMENT PROJECTS

Planning a Home Improvement Project?

Before starting any work, please take a moment to review the CC&Rs. Some projects require HOA approval before you begin. This helps keep our neighborhood looking great and in line with community standards.

If you're unsure whether your project needs approval, just reach out—we're happy to help!
